Dear Sir -

I return Coins & Cash to  
Balancer,

These '73's were too  
poor. else I could have sold  
I sold you Coins from the  
Envelope you sent at your  
price - so that I made nothing  
by the transaction, except the  
loss of some time in trying  
to sell, a rather difficult  
matter just now, as buyers  
are scarce. No matter how  
low finds may be offered,  
but I hope for better times.

Thanks for Cat - don't think  
I shall send bids, as there will  
be dealers, & amateurs enough present  
to take all bargains offering.
